Subject: Scientific Advisory Board (SAB) - Meetings for 2002

Please see below the definite dates for the SAB Meetings for 2002:

March 12 & 13 (northern Va.) - Topics: Human Studies & Carbon Monoxide

June 11 & 12 (northern Va.) - Topics: SCoR w/ attention to claims on Accord

September 24 & 25 (Cologne, Germany) - Topic: *Open*

December 9 & 10 (northern Va.) - Topic: Review Harm Reduction Guidelines

We plan to have dry-run meetings approximately 2 weeks prior to each meeting. Please respond if you have any specific topics you would like to have included in these meetings.

*Kind regards,
George Patskan*
